Debbie,

The Ozark Arts Council is grateful to you for your leadership in organizing the promotional materials for the annual fundraiser. Thanks to your help our fundraiser met our goals. Your thoughtful approach to what we needed from invitations to planning the event made it the most professional and artistic fundraiser to date.

The Ozark Arts Council 2007-2008 Season Booklet which you implemented was an equally challenging project. The assistance you gave us was invaluable. I wanted to give our advertisers and members a better booklet and we now have a first class representation of the Ozark Arts Council.

On behalf of the Ozark Arts Council I want to thank you for your tireless volunteerism on these two important projects.

Sincerely,

Joe Golden  
Executive Director  
Ozark Arts Council
