wear your art on your sleeve

With an "art as entertainment" concept, **T-Shirt Construction Co.** offers its Inman Park shoppers the option of customizing their own clothing. The studio/retail space has a large assortment of silk-screen prints and digital images ready for transfer on anything from T-shirts to tote bags. Customers can choose from the store's design inventory or they can create their own; the options are endless. T-Shirt Construction Co. also promotes local artists' work, so if you're a designer, this could be your platform.
